

Wisdom Wheel Mentorship for Mesa Carriers

Welcome to upgrade your Medicine Wheel with power and grace!

This is in total 5 meetings with a 3hour session each time for a deep and transformative 2nd journey around the Medicine Wheel + 1 session for the mastery of living in the center.

By receiving the wisdom teachings, healing ceremonies and initiations again, you start to walk more powerfully in balance between the worlds of energy and matter in how you shape your reality. Remember Ayni, meaning being in harmonious relationship with the world around you for cosmic support and flow in your life. Imagine how that can look like!

In this mentorship, I tailor the work to fit your needs to what you wish to focus on in each direction. In-between meetings you have integration practices and preparation time for the next direction.
